

OPOC Dropped

SN 5.5.4 Provide DoD Information Operations (IO) Capabilities (Unclassified)

Status: OPOC Dropped

Submitting Command: STRATCOM

Task Description: (Unclassified)

To plan (including coordination, integration, and synchronization), initiate, and direct activities and operations associated with offensive and defensive information operations (IO) crossing geographic areas of (trans-regional) responsibility or across the IO core capabilities.

Task Note: These core capabilities; mutually supported by intelligence, are employed to deny, influence, degrade, or destroy adversary information and information systems; and to protect friendly information and information systems. DoD IO core capabilities include computer network attack (CNA), computer network defense (CND), EW, operations security (OPSEC), military psychological operations (PSYOP), and military deception (MILDEC). Per DoD IO Roadmap, IO Supporting Capabilities include: Information Assurance, Physical Security, Counterintelligence, Physical Attack, Combat Camera. IO Related capabilities include: Public Affairs, Civil-Military Operations, Defense Support to Public Diplomacy.

SN 9.5.1 Determine Combating Weapons of Mass Destruction (CbtWMD) Requirements and Solutions (Unclassified)

Status: OPOC Dropped

Submitting Command: STRATCOM

Task Description: (Unclassified)

Integrate and synchronize operational capability requirements needed to combat WMD in support of Unified Combatant Commands, OSD, Joint Staff, and other DoD and Federal Agencies. Lead capability development efforts in the Joint Capabilities and Development System (JCIDS) and influence acquisition and PPBS process to ensure all urgent and future combating WMD shortfalls are identified. Ensure National Strategy, National Military Strategy, and National Military Strategy for Combating WMD, and joint concepts are supported in the area of combating WMD. Coordinate efforts with OSD, Joint Staff, COCOMs, Services, Functional Capability Boards and Interagency Staffs.

Task Note:

SN 9.5.2 Coordinate Combating Weapons of Mass Destruction (CbtWMD) Planning (Unclassified)

Status: OPOC Dropped

Submitting Command: STRATCOM

Task Description: (Unclassified)

To coordinate the elements of CbtWMD planning. WMD is defined as weapons – chemical, biological, radiological, and nuclear – and their means of delivery that are capable of a high order of destruction and/or of being in such a manner as to destroy large numbers of people or to cause significant infrastructure damage.

SN 9.5.3 Plan Weapons of Mass Destruction (WMD) Offensive Operations (Unclassified)

Status: OPOC Dropped

Submitting Command: STRATCOM

Task Description: (Unclassified)

To Plan DOD efforts to conduct offensive operations against WMD threats. Offensive operations include kinetic (both conventional and nuclear) and/or non-kinetic options (e.g., information operations) to deter or defeat a WMD threat or subsequent use of WMD.

Task Note: Offensive operations encompass the detection, identification, tracking, targeting, disruption, and/or destruction of an adversary's WMD assets, means of delivery, associated facilities and other high-value targets necessary to achieve the desired effects and objectives.

SN 9.5.3.1 Coordinate Weapons of Mass Destruction (WMD) Offensive Operations (Unclassified)

Status: OPOC Dropped

Submitting Command: STRATCOM

Task Description: (Unclassified)

Coordinate requirements to conduct offensive operations against WMD threats. Offensive operations include kinetic (both conventional and nuclear) and/or non-kinetic options (e.g., information operations) to deter or defeat a WMD threat or subsequent use of WMD.

Task Note: This task encompasses all offensive operations (the detection, identification, tracking, targeting, disruption, and/or destruction) of an adversary's WMD assets, means of delivery, associated facilities and other high-value targets necessary to achieve the desired effects and objectives.

OP 5.6.8 Provide Military Deception (MILDEC) Capability (Unclassified)

Status: OPOC Dropped

Submitting Command: STRATCOM

Task Description: (Unclassified)

To plan and integrate (including initiation, coordination, and synchronization) military deception

(MILDEC) at the operational, level of war. Actions executed to deliberately mislead adversary military decision makers as to friendly military capabilities, intentions and operations, thereby causing the adversary to take specific actions (or inactions) that will contribute to the accomplishment of the friendly mission.

OP 6.5.6 Build and support regional collective security mechanisms and institutions in the theater of operations. (Unclassified)

Status: OPOC Dropped

Submitting Command: CENTCOM CJTF-HOA

Task Description: (Unclassified)

CJTF synchronizes the command's Country Plans with the Embassy's Mission Performance Plans (MPPs), providing regional focus in order to strengthen the cooperation between Regional Nations (RNs) in the combined joint operations area (CJOA).
